

2020 Current Renewal Rates

For Contracts Issued in 2020

Effective 04/01/2024 through 04/30/2024
and subject to change

As the end of your Index Term(s) and/or Fixed Interest Term approaches, Brighthouse SecureAdvantage® 6-Year Fixed Index Annuity offers several options for renewals. You have the flexibility to reallocate among one or more of the following 1-year Index Terms and/or the Fixed Account:

- 1-Year Index Term with Cap Rate
- 1-Year Index Term with Step Rate
- Fixed Account

To reallocate your Index Account(s) and/or Fixed Account that is renewing during this period, please contact your financial professional or call our Annuity Service Office at (800) 638-7732. If no action is taken, the Index Account(s) will automatically renew into the 1-Year Index Term with Cap Rate with the same index, and the Fixed Account will automatically renew into the same Fixed Account at the renewal rate available for that period. Transfers between available Index Accounts and/or the Fixed Account are permitted within 21 days after the end of an Index Term. Minimum allocation per individual Index Term or Fixed Account is \$500.

At the end of any Index Term and/or Fixed Interest Term, rates will reset based on the then-current renewal rates. If the index performance is positive, you will be credited the performance up to the applicable Cap Rate. For the Step Rate, you will receive the rate reflected only if the index performance at the end of the Index Term is equal to or greater than zero. If the index performance is negative at the end of a term, no index-linked interest will be credited. Your allocation remains 100% protected¹ against market downturns.
