# Tax Deferral,<sup>1</sup> Initial Guarantee Period, and a Jumbo Rate

The Fixed Annuity FA is designed for long-term retirement savings and provides the opportunity to obtain a stream of payments for life. You can lock in a fixed interest rate for an initial Guarantee Period of 5 or 7 years.

5 YEARS

7 YEARS

### Base Rate

For single premium amounts of \$99,999 or under.

### Jumbo Rate

For single premium amounts of \$100,000 or more.

## Rates are and are subject to change

- When your guarantee period ends, you may renew your contract for another available guarantee period.<sup>2</sup>
- The Jumbo Rate is 0.25% higher than a similar contract with single premium or renewal amount less than \$100,000.
- The Jumbo Rate will remain in effect during an annuity's initial guarantee period. If, at time of renewal, the contract value is \$100,000 or more, the contract would again receive the applicable Jumbo Rate then in effect.<sup>3</sup>
- The Minimum Guaranteed Interest Rate will be 1.00%.

## Access your money

- 10% Free Withdrawal Of Account Value Annuity — Available after 1st contract year.
- Interest Income Program.
- Full Account Value — During the 30-day window at the end of the guarantee period.
- If you withdraw more than your "free withdrawal amount," a surrender charge ranging from 7% to 1% of the contract value, as well as a Market Value Adjustment, may apply.
- At the appropriate time, you can convert your contract into a stream of fixed income payments, guaranteed for life (a Market Value Adjustment may apply which can have either a positive, negative or no effect on your account value).<sup>2</sup>

<sup>1</sup> If you are buying an annuity to fund a qualified retirement plan or IRA, you should do so for the annuity's features and benefits other than tax deferral. In such cases, tax deferral is not an additional benefit of the annuity. References throughout this material to tax advantages, such as tax deferral and tax-free transfers, are subject to this consideration.

<sup>2</sup> At the end of the guarantee period, there is a 30-day window in which to notify Brighthouse Financial and choose a new Guarantee Period. Otherwise, the contract will automatically renew for the 3-year Guarantee Period, unless otherwise notified. Alaska and New Jersey will automatically renew for a 1-year Guarantee Period with no surrender charge. Brighthouse Financial reserves the right to offer different Guarantee Periods than those shown above.

<sup>3</sup> The Jumbo Rate is available when the base crediting rate upon renewal is greater than the contractual Minimum Guaranteed Interest Rate (MGIR). If the base crediting rate upon renewal is equal to the contractual MGIR, the Jumbo Rate is not available.

All guarantees are based on the claims-paying ability and financial strength of the issuing insurance company.

Withdrawals of taxable amounts are subject to ordinary income tax and if made before age 59½, may be subject to a 10% federal income tax penalty. Some broker/dealers and financial professionals may refer to the 10% federal income tax penalty as an "additional tax" or "additional income tax," or use the terms interchangeably when discussing withdrawals taken prior to age 59½. Distributions of taxable amounts from a non-qualified annuity may also be subject to the 3.8% Unearned Income Medicare Contribution tax that is generally imposed interest, dividends, and annuity income if your modified adjusted gross income exceeds the applicable threshold amount. Withdrawals will reduce the living and death benefits and account value. Withdrawals may be subject to withdrawal charges.
