

Thank You for Attending Our Seminar

Dear

Thank you for attending our **“Solving the Retirement Dilemma”** seminar held on [redacted]
I hope you found the session helpful and informative.

During the session we discussed how a deferred income annuity – like the Guaranteed Income BuilderSM – can provide you with future, guaranteed, pension-like income to supplement your other retirement income sources. It’s a simple way to add certainty to your retirement and add income for life, for living, for you.

If you have any questions about the seminar, or about the Guaranteed Income Builder, please contact me at [redacted] or email me at [redacted]

I look forward to helping you build a customized retirement strategy that can help you remain independent and more financially secure throughout retirement.

The most likely to benefit from the Guaranteed Income Builder

- Are ages 45-65, or planning to retire within the next 5-10 years
- In need of reliable pension-like income payments
- Concerned about outliving their assets in retirement
