## Complimentary Seminar

Learn a simple way to add  
certainty to your retirement

### **Solving The Retirement Income Dilemma**

**Dear**

When people think about their retirement—with today's unsure economic outlook and volatile financial markets—the picture for many isn't very, well, picture perfect.

But with a proper retirement income strategy in place, one can still enjoy their retirement years in comfort. But you need to know how.

You're invited to attend a complimentary seminar to learn how to use the Brighthouse Guaranteed Income Builder<sup>SM</sup> deferred income annuity to create a customized retirement strategy that gives you income for life, so you can remain confident and more financially secure throughout retirement.

**You'll learn:**

- The causes of the retirement income dilemma
- The solutions the Guaranteed Income Builder annuity can provide
- How to customize a retirement strategy for you

To sign up to attend the seminar, call me at [presenter's [phone number]],

I look forward to helping you prepare for your financial future,
