Variable Investment Option Performance Update

The performance data quoted represents past performance and does not guarantee future results. Current performance may be lower or higher than the performance figures quoted. Performance current to the most recent month-end may be viewed at [www.BrighthouseFinancial.com](http://www.BrighthouseFinancial.com). The investment return and principal value of an investment will fluctuate and an investor's shares, when redeemed, may be worth more or less than their original cost. For Sub-Accounts that invest in Portfolios of the underlying Trust that were in existence prior to the Sub-Account inception date, these returns have been adjusted to reflect the charges and expenses of the Marquis Portfolios Variable Annuity, as if the contract had existed during the stated period(s), including all Portfolio-level expenses, the M&E risk and administrative expense charges of 1.85% and the annual Account Fee of \$40. The Marquis Portfolios product does not impose any withdrawal charges on withdrawals. **These figures represent past performance and are not an indication of future performance.**

The performance data quoted represents past performance and does not guarantee future results. Current performance may be lower or higher than the performance figures quoted. Performance current to the most recent month-end may be viewed at [www.BrighthouseFinancial.com](http://www.BrighthouseFinancial.com). The investment return and principal value of an investment will fluctuate and an investor's shares, when redeemed, may be worth more or less than their original cost. Each Investment Option consists of a sub-account of the separate account supporting the contract (a "Sub-Account") that invests solely in shares of a fund portfolio (a "Portfolio"). *Standardized Performance* for an Investment Option, as defined by the SEC, is the Average Annual Total Return for periods commencing no earlier than the Sub-Account inception date and terminating at the end of the most recent calendar quarter. Average Annual Total Returns shown that include periods prior to the Sub-Account inception date are *Non-Standardized Performance*. Charges for Standardized Performance include all Portfolio-level expenses, the M&E risk and administrative expense charges of 1.85%, the contract administrative charge \$40, and the surrender charge of 0%.

**Variable annuities are long-term investments designed for retirement purposes. Variable annuities have limitations, exclusions, charges, termination provisions and terms for keeping them in force. There is no guarantee that any of the variable investment options in this product will meet their stated goals or objectives. The account value is subject to market fluctuations and investment risk so that, when withdrawn, it may be worth more or less than its original value. All product guarantees, including optional benefits, are subject to the claims-paying ability and financial strength of the issuing insurance company. Please contact your financial professional for complete details.**

**Withdrawals of taxable amounts are subject to ordinary income tax and if made before age 59½, may be subject to a 10% Federal income tax penalty. Distributions of taxable amounts from a non-qualified annuity may also be subject to the 3.8% Unearned Income Medicare Contribution Tax on Net Investment Income if your modified adjusted gross income exceeds the applicable threshold amount. Withdrawals will reduce the living and death benefits and account value. Withdrawals may be subject to withdrawal charges.**

**Marquis Portfolios<sup>SM</sup> is a service mark of Morgan Stanley Smith Barney Holdings LLC.**

**"Brighthouse Financial" refers to Brighthouse Financial, Inc., a Delaware corporation, and, where appropriate in context, to one or more of its subsidiaries, or all of them taken as a whole. The Marquis Portfolios variable annuity is issued by Brighthouse Life Insurance Company (previously issued by MetLife Insurance Company USA) and is distributed by Brighthouse Securities, LLC (member FINRA).**
