In some cases the inception date shown is the inception date of the underlying Investment Fund's Class B shares because the Investment Fund issued Class B shares at inception, and issued Class A shares at a later date. In these cases, the investment returns shown have been adjusted to exclude the 12b-1 fee imposed on the Class B shares. Such adjustments have been made to the investment returns shown for the following portfolios for the periods indicated: the MetLife Balanced Strategy Portfolio, the MetLife Defensive Strategy Portfolio, the MetLife Growth Strategy Portfolio and the MetLife Moderate Strategy Portfolio for the period prior to May 2, 2005; the BlackRock Money Market Portfolio, the Harris Oakmark International Portfolio, the Legg Mason ClearBridge Aggressive Growth Portfolio and the Invesco Small Cap Growth Portfolio for the period prior to January 2, 2002; and the MFS Research International Portfolio, the PIMCO Total Return Portfolio and the T. Rowe Price Mid Cap Growth Portfolio for the period prior to May 1, 2001.

Prospectuses for the underlying investment funds are available from Brighthouse Life Insurance Company. The prospectuses contain information about the investment objectives, risks, and policies of the underlying investment funds, as well as other information about the underlying funding choices. Please read the prospectuses and consider this information carefully before investing. Product availability and features may vary by state. All product guarantees are subject to the financial strength and claims-paying ability of the issuing insurance company.

The average annual total returns shown above represent past performance and are not an indication of future performance. Past performance does not guarantee future results. Current performance may be lower or higher than the performance information shown. The investment experience and cash value of a policy will fluctuate so that, at the time of a withdrawal or surrender, the cash value may be worth more or less than the amount of premiums paid.

Brighthouse variable life insurance policies have limitations, exclusions, charges, termination provisions and terms for keeping them in force. There is no guarantee that any of the variable investment options in this product will meet its stated goals or objectives. The cash value is subject to market fluctuations so that, when withdrawn, it may be worth more or less than the amount of premiums paid. Guarantees are based on the claims-paying ability and financial strength of Brighthouse Life Insurance Company. Please contact your financial professional for complete details.
