

Minimum Guaranteed Rates (3-Year)

Effective 04/28/2014

The minimum guaranteed Cap Rates and Step Rates reflect the minimum a rate can be set to for current purchasers of a Brighthouse Shield Level Selector® 3-Year Annuity contract. The rates do not reflect actual rates available, are not annual rates, and would accrue daily.

If there is negative index performance at the end of a term, Brighthouse Financial absorbs losses up to the level of protection for the Shield Option selected and your account value will be reduced by any negative performance beyond the level of protection. If you do not elect Shield 100 or the Fixed Account, you could see a substantial loss if the index declines more than your chosen level of protection.
