Brighthouse Shield® Level Select 3-Year Annuity

Brighthouse FINANCIAL®
Build for what's ahead®

2020 Current Renewal Rates (3-Year)

For Contracts Issued in 2020

Effective 8/1/2025 through 08/31/2025 and subject to change

Brighthouse Shield® Level annuities give you the flexibility to decide what to do with your Shield Options at the end of your term. Shield Options include level of protection, tracked index, and term length. To begin, locate your renewal notice and identify the term end date. This date will determine whether you should see current or future rates. Current rates are for terms expiring this month, and future rates are for terms expiring the following month. To finalize your Shield renewal you have the flexibility to decide what to do next:

1. Change your current Shield Options

If you'd like to change your Shield Options, please contact your financial professional or call our Annuity Service Office at (800) 882-1292 by the end of your renewal term.

2. Maintain your current Shield Options

If you'd like to stay in the same Shield Options, you do not need to take any further action. Your Shield Options will automatically renew using the new rate for each allocation.

Please Note: If your current Shield Options are no longer available, we will automatically transfer these amounts to the Fixed Account unless you instruct us otherwise. If the Fixed Account is not available, we will transfer these amounts into the Shield Option with, in order of priority, the shortest term, the highest Shield Rate and the lowest Cap Rate from the available Shield Options, unless you instruct us otherwise.

Fixed Account

The Cap Rates and Step Rates accrue daily and reflect only the potential maximum interest over the entire 1- or 3-year term. Rates shown are not annual rates. **At the end of any term, rates will reset based on the then current renewal rates.**

If positive index performance of the selected index at the end of a term is less than the Cap Rate shown, you will receive that lower rate. For the Step Rates, you will receive the rate reflected only if the index performance at the end of the term is equal to or greater than zero.

If there is negative index performance at the end of a term, Brighthouse Financial absorbs losses up to the level of protection for the Shield Option selected and your account value will be reduced by any negative performance beyond the level of protection. If the Fixed Account is not elected, you could see a substantial loss if the index declines more than your level of protection.

Transfer Procedure: Rates are for existing contracts only and do not apply to new contracts. Transfers are permitted at the end of a Shield Option(s) term and/or Fixed Account term (if available). Transfers can be made to any available Shield Option(s) and/or the Fixed Account during the transfer period. The Transfer Period is the five (5) calendar days following the contract anniversary that coincides with the Term End Date for each Shield Option and/or the Fixed Account. Transfer requests will be accepted up to thirty (30) days prior to the beginning of the transfer period and are effective as of the contract anniversary.

Existing Shield Option(s) and/or allocations to the Fixed Account will automatically renew into the same Shield Option(s) and Fixed Account term at the declared renewal rate for each allocation. If your current Shield Option(s) is no longer available, we will automatically transfer these amounts to the Fixed Account. If the Fixed Account is not available, these amounts will automatically transfer into the Shield Option with, in order of priority, the shortest term, the highest Shield Rate, and the lowest Cap Rate from the Shield Options available at the Term End Date, unless otherwise instructed by you.
