The Brighthouse Fixed Rate Annuity is designed for long-term retirement savings and provides the opportunity to obtain a stream of payments for life. At the end of the Initial Guarantee Period, the contract will automatically renew into a Subsequent Guarantee Period of one year at the then current-rate, and will no longer be subject to a Withdrawal Charge. Renewal interest rates will generally be lower than the Initial Guaranteed Interest Rate, but will not be less than the Minimum Guaranteed Interest Rate (MGIR).¹

1 year	1.35%	1.40%

¹ Interest rates are effective annual yields. Any withdrawal will affect the total interest earned.
